Runner Inquiries For The 2003 Wasatch 100

PLEASE NOTE: Prior to 2006 the DNF information table utilizes DNF codes as well as aid station location codes. If you are looking back at those years, the codes are listed below. More recent years, 2006 and forward, list the reason for the DNF as well as the name of the aid station.

Various DNF codes are are listed on the DNF report prior to 2006. They are as follows:
DNFD - runner was disqualified for an infraction of race rules
DNFM - runner quit due to a medical problem such as an injury
DNFQ - runner chose to quit, usually due to being worn out
DNS -- runner did not start the race
DNFT - either time ran out or the runner was so far behind that time limits could not be met

We also used location codes prior to 2006. They are as follows:
CPA - Start
CPB - Francis Peak
CPC - Bountiful 'B'
CPD - Sessions
CPE - Swallow Rocks
CPF - Big Mountain
CPG - Alexander Ridge
CPH - Lambs Canyon

CPI - Millcreek (Upper Big Water)
CPJ - Desolation Lake
CPK - Scotts Peak
CPL - Brighton Lodge
CPM - Ant Knolls
CPN - Pole Line Pass
CPO - Rock Springs
CPP - Pot Hollow
CPQ - The Homestead
