- **Between 12/1/17 and 1/4/18 follow the link on the website HOME page to Ultra Signup to complete your registration and entry fee payment.** Complete your **8 hours of trail work** as soon as possible and email the signed form no later than August 15th.
- **Contact the Forest Service. If you are in the Salt Lake Ranger District, contact the Cottonwood Canyons Foundation (volunteer@cottonwoodcanyons.org or 801-930-5010 ext.100) as they are overseeing the Forest Service trail work projects in our local canyons. Set up a day to work as soon as the trails are accessible. Make sure the CCF or FS knows why you are doing this and be sure to obtain a signature by one of the CCF or FS officials to verify that you have done the work. Forms may also be signed by a Wasatch Front 100 Mile Endurance Run committee member or designee. For those who live near the Wasatch Front, the work should be done in the Wasatch Mountains. **FOR THOSE WHO DO NOT LIVE NEAR THE WASATCH MOUNTAINS, the work should be done on your local trails with your local Forest Service. IF YOU DO NOT HAVE ACCESS TO FOREST SERVICE TRAILS, your trail work may be done with your local parks and recreation organizations.** A written request for any exception is required and must be approved by the Race Committee. **Take this form with you when you do the work – the agency you are working for will not have this form. PLEASE NOTE THAT WE DO NOT ACCEPT VOLUNTEERING AT ANOTHER RACE OR TRAIL WORK PERFORMED FOR ENTRY INTO ANOTHER RACE.****
- **COMPLETELY FILL OUT THIS FORM AND EMAIL TO: trailwork@wasatch100.com.** Trail work forms will not be accepted through regular mail. When you scan or take a picture of and email your report you will receive an automatic response by email confirming receipt of your form. Once the runner list has been posted on our website, after about 5 days please check the list and make sure a YES has been placed in the Trail Work column after your name. **PLEASE SEND ONLY TRAIL WORK FORMS TO THIS ADDRESS.** Send questions to our regular email address. Be sure we receive your completed trail work form no later than the August 15th deadline. Do not rely on the agency you volunteer with to scan and email your report as it may get lost in the shuffle. **All work must be performed after the previous year's race is over.** You are not officially entered until this report is received. If your trail work is not received by the deadline your acceptance will be revoked. **PLEASE DO NOT WAIT UNTIL THE LAST WEEK OR TWO TO SCHEDULE OR PERFORM YOUR TRAIL WORK. SOMETHING COULD PREVENT YOU FROM COMPLETING THE WORK AND NO EXTENSIONS WILL BE GIVEN.**
